

Job Description:

Profile Security Ltd is looking to recruit experienced and professional Security Officers for a prestigious site located in Pembrokeshire. **We require up to 6 relief staff members to join our team working 12 hour day or night shifts as required.**

We are looking for confident, reliable, and flexible security professionals who are capable of building excellent relationships with visitors and contractors alike. You will need to have outstanding communication skills, high levels of attention to detail, and should take ownership of each task by seeing things through to completion.

Primary duties will include:

- To provide an efficient and effective security service for visitors, contractors, ensuring high standards are delivered and maintained
- Conduct drink and drug screening on all visitors, contractors as part of the site induction process. (certificated training will be provided)
- Conduct temperature testing/technology-assisted on all visitors, contractors entering the site
- Conduct random vehicle/personnel searches to prevent prohibited items from being taken on-site by maintaining a high level of security presence
- Control of entry and exit at a DFT controlled environment
- Undertake regular high visibility mobile and foot patrols - all areas, car parks, buildings etc.
- Record all identified safety violations/observations to support a safety 1st culture
- Adherence to the site Health and Safety policy.

Successful candidates must meet the essential criteria below:

- SIA LICENCE IS ESSENTIAL.
- A full UK Driving Licence preferred (essential)
- A First Aid qualification is preferred
- Flexibility to work across shift patterns to include days, night shifts and weekend working - 12-hour duration
- Physically fit and accustomed to outside working
- No restrictions on wearing face coverings/face shields (Covid 19)
- Due to site policy - all candidates must be clean-shaven (moustache acceptable)
- Be subject to random drink and drug testing
- Prepared to work extra shifts as and when required.
- Maintain high levels of integrity and professionalism
- All shifts are 12 hours (06:00 - 18:00/18:00 - 06:00)
- Free specialist uniform will be provided
- Free safety training CCNSG will be provided

Should you be successful, you will need to be able to **provide a full, checkable 5-year employment and address history** in addition to details for **two personal referees**.

Salary: £10.59 per hour.
